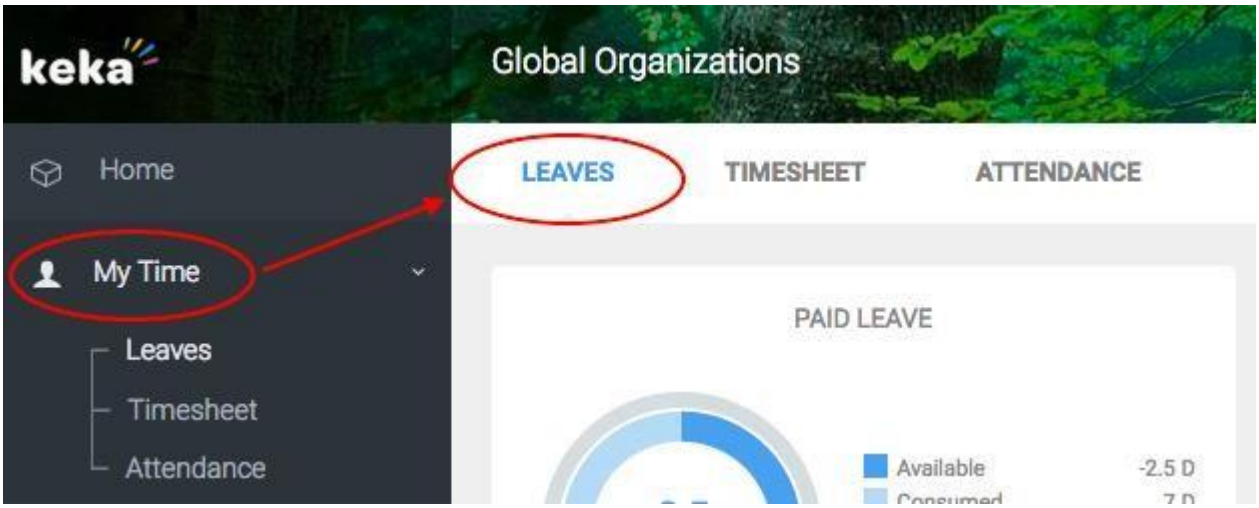
Procedure to Apply Leave

Q: How do I apply for leave?

1. Applying for leave: To apply for leaves, follow the steps below:

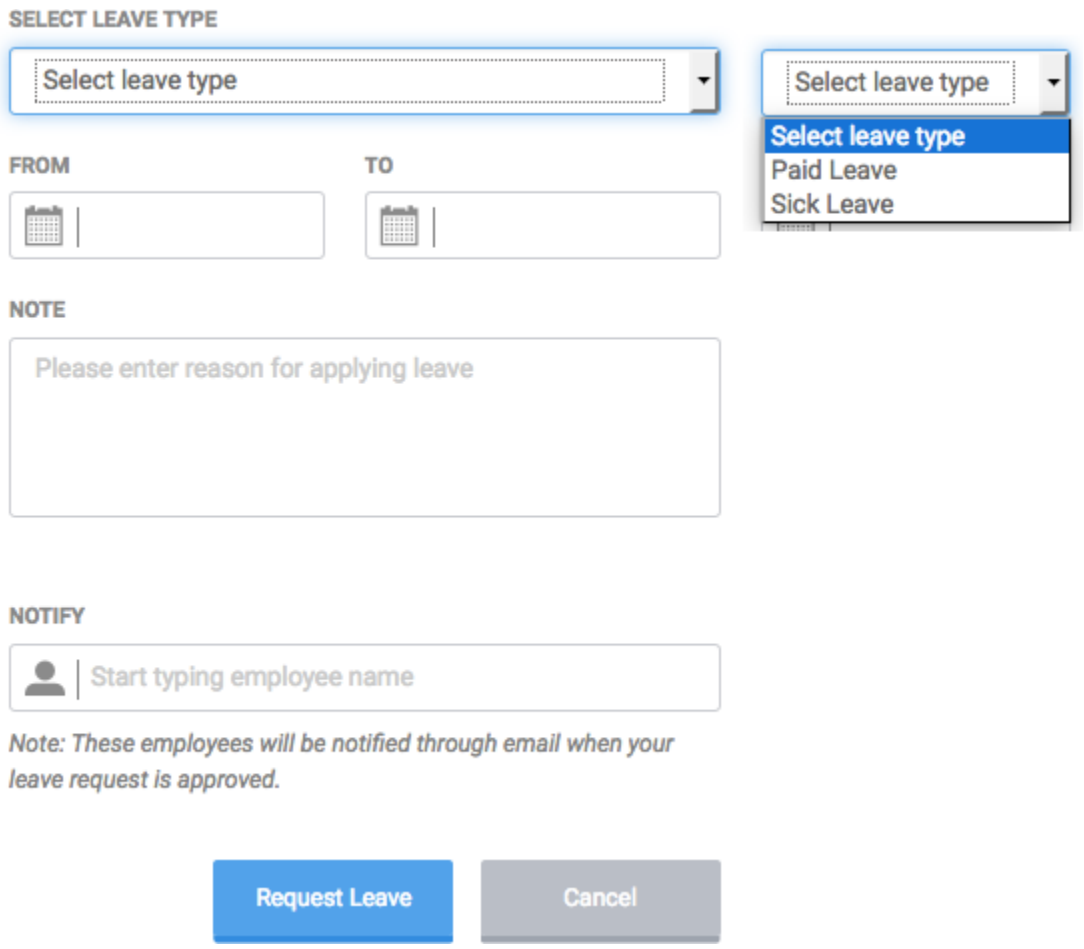
Employee applying for own leave

Step 1: Go to My Time >> Leaves

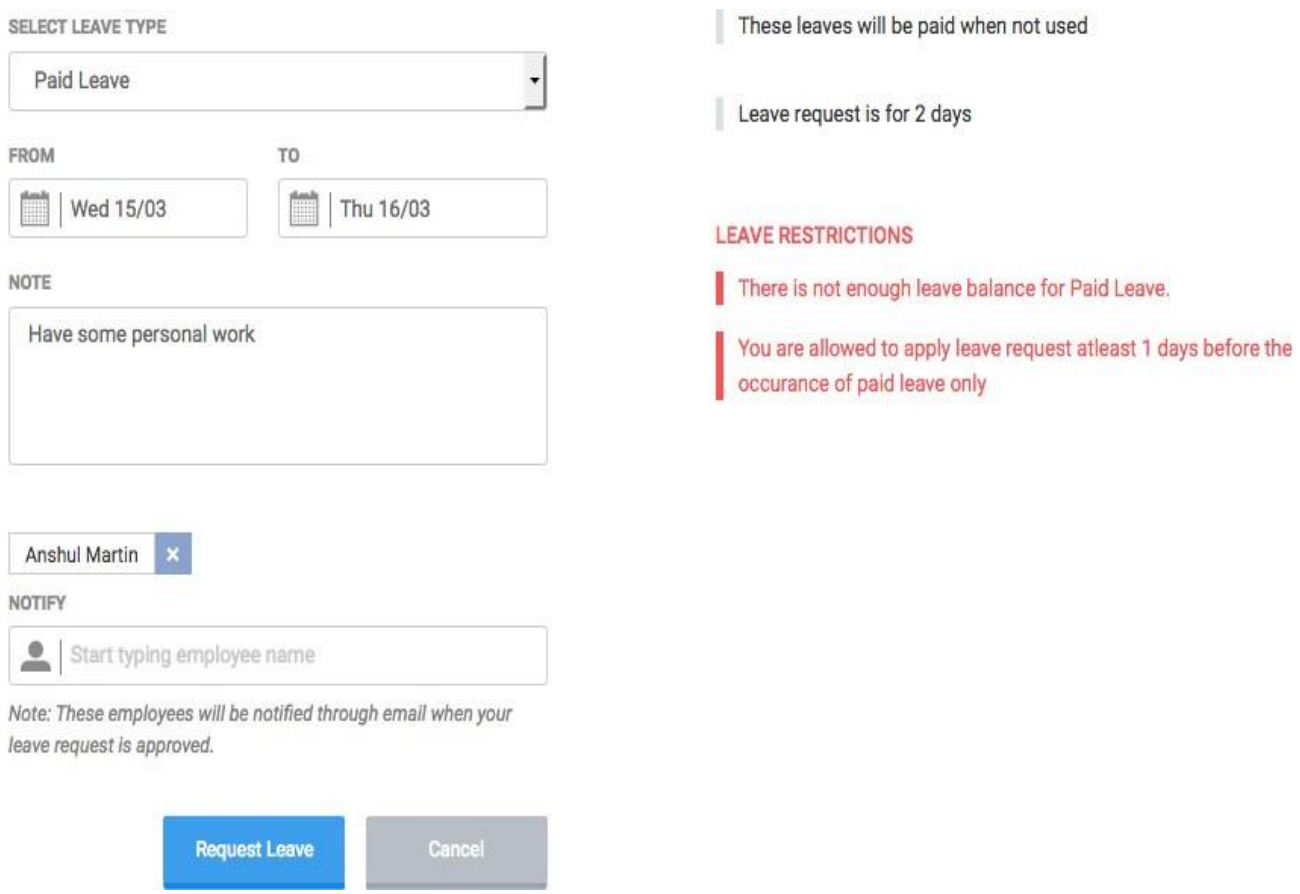


Step 2: Under 'Leave' tab you will be able to review the leave balance available for you, before you apply for leave. On the right-hand side, you will find 'Apply Leave' button, click on this button to pick leave you want to apply for

Step 3: On the next screen, you need to choose the leave you want to apply for (from the dropdown) along with dates of leave. You can also choose to add additional employee(s) whom you want to notify about your leaves once the leave gets approved.



While you are applying for leave, you will also be able to see a snapshot of number of days of leave, any error or restriction that might not let you apply for leave, etc. on the right-hand side. Fix all errors (if any – in Red) and click on ‘Request Leave’ button to apply for leave.



Once done, your reporting manager will be informed about your request and they can approve or reject it.

Q: Can I apply for half-day leave?

Yes, you can apply for half-day leave, given that the chosen leave type's settings allow you to do so.

Q. Can I edit/cancel a leave request?

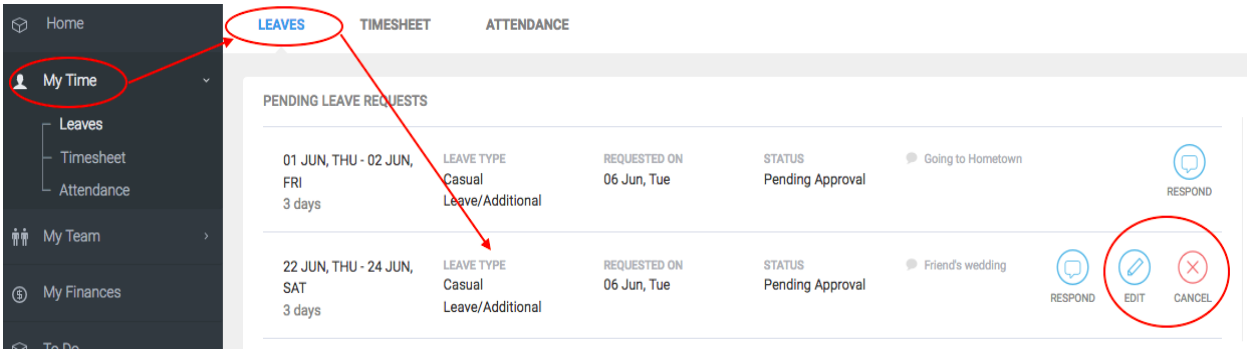
Editing or canceling a leave request

- At times, employees can apply for leaves well in advance only to realize later that they either need to change the dates of leaves or cancel the leaves altogether, due to some inevitable conditions.
- Yes, Keka allows an employee to edit or cancel any future leaves he/she has applied for, which is either pending or approved.

IMPORTANT: Leave requests for past days can't be edited or canceled by an employee, please approach your HR if you wish to make changes to past leaves you have applied for on Keka.

Leaves Pending Approval:

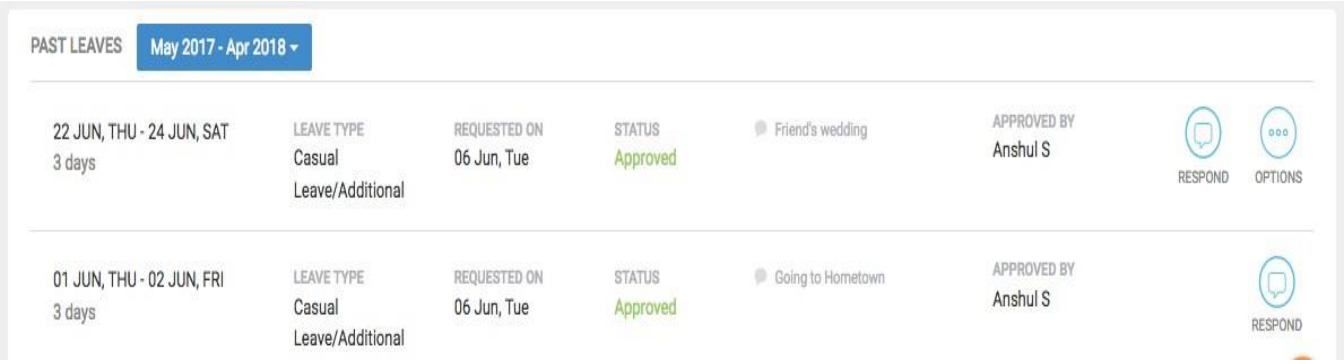
- Whenever an employee applies leave for a future date (and the leave is pending approval) the option to Edit or Cancel the leave appears upfront, alongside the leave request.
- Go to My Time >> Leaves to view list of all pending leave request. Employee can click on 'Edit' icon to make changes to dates, leave type, reason etc. or click on 'Cancel' icon to cancel the leave request altogether.



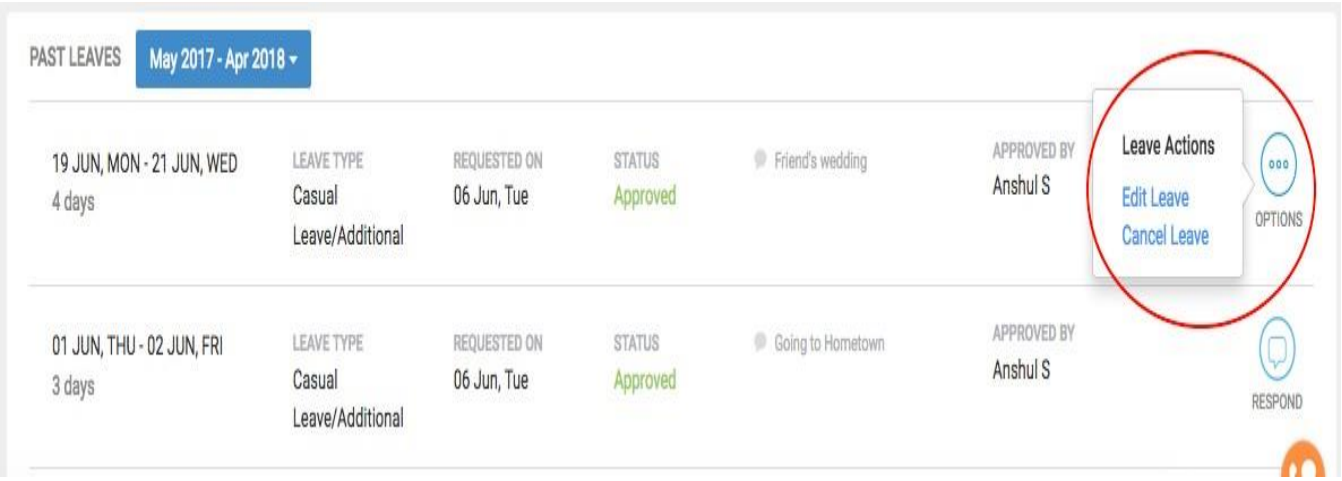
Approved Leaves:

In case the leave request for a future date has been approved by the HR or Admin of your organization, you can still make changes to leaves (will require an approval again) or cancel them.

Go to My Time >> Leaves, and scroll down to the section 'Past Leaves' at the end of the screen. You can see list of all leaves, along with their approval status.

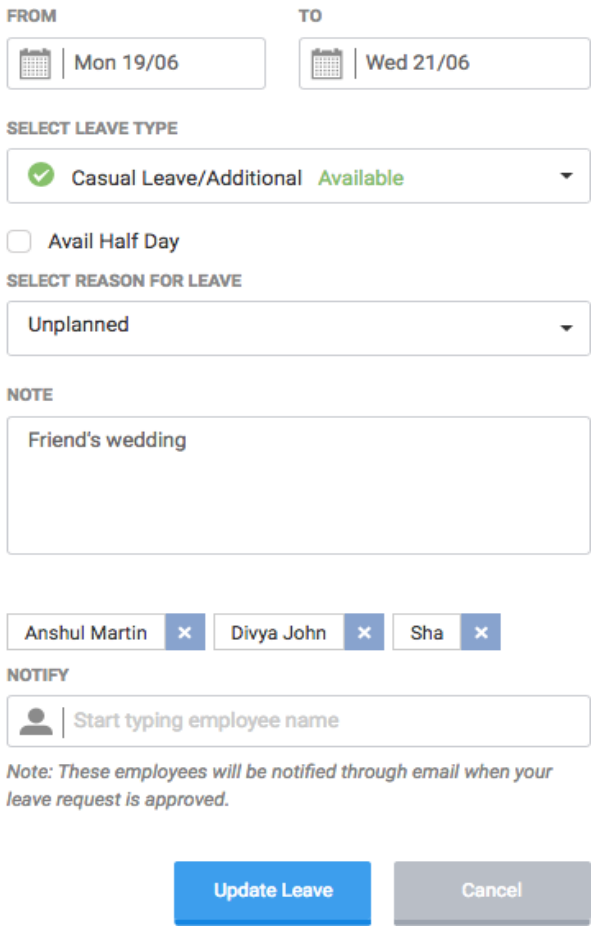


Click on the ‘Options’ icon to view links to edit or cancel the leave request

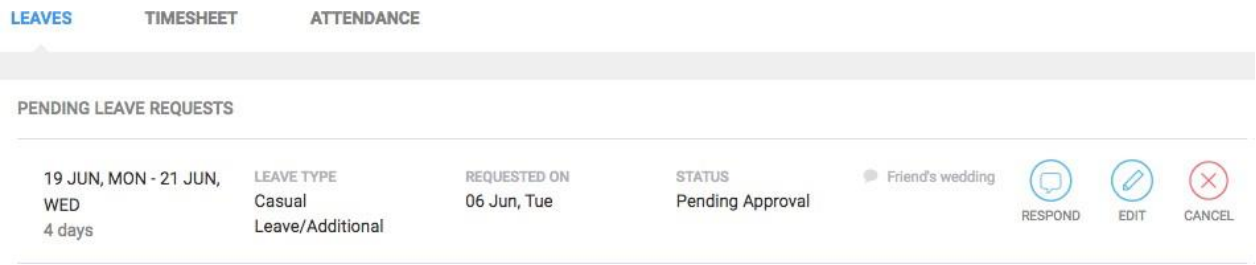


Clicking on ‘Cancel Leave’ will cancel the leave request altogether and any leaves deducted will be credited back to your leave balance.

Clicking on ‘Edit Leave’, will give you an option to edit leave details



Once you edit the leave details, click on ‘Update Leave’ button. The request will be submitted for approval again.



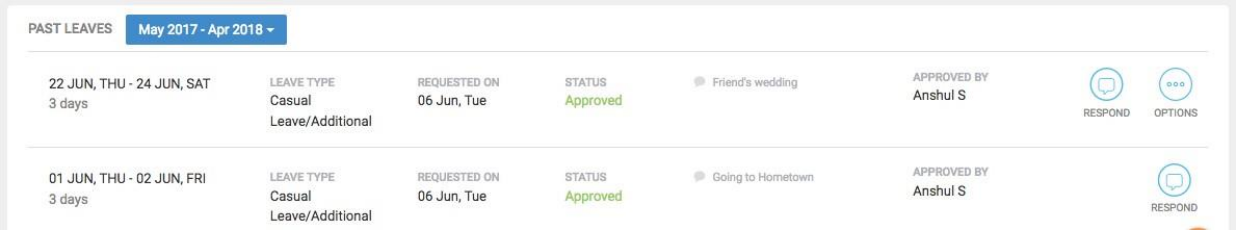
Eventually, you have total control of editing or deleting your leave requests that are yet to be taken.

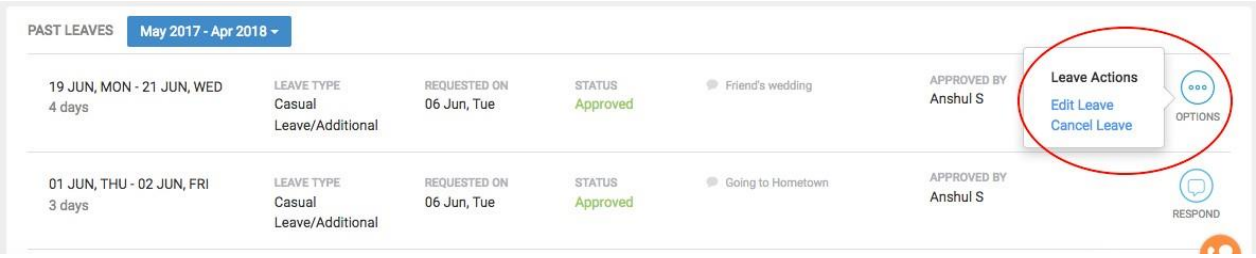
Q: Can I change dates of an approved leave request?

Yes, you can make date changes for an approved leave, given that the date of leave (original) is yet to occur. Though, employee can’t make any changes to past leaves but can definitely connect with HR team to get past leaves date changed.

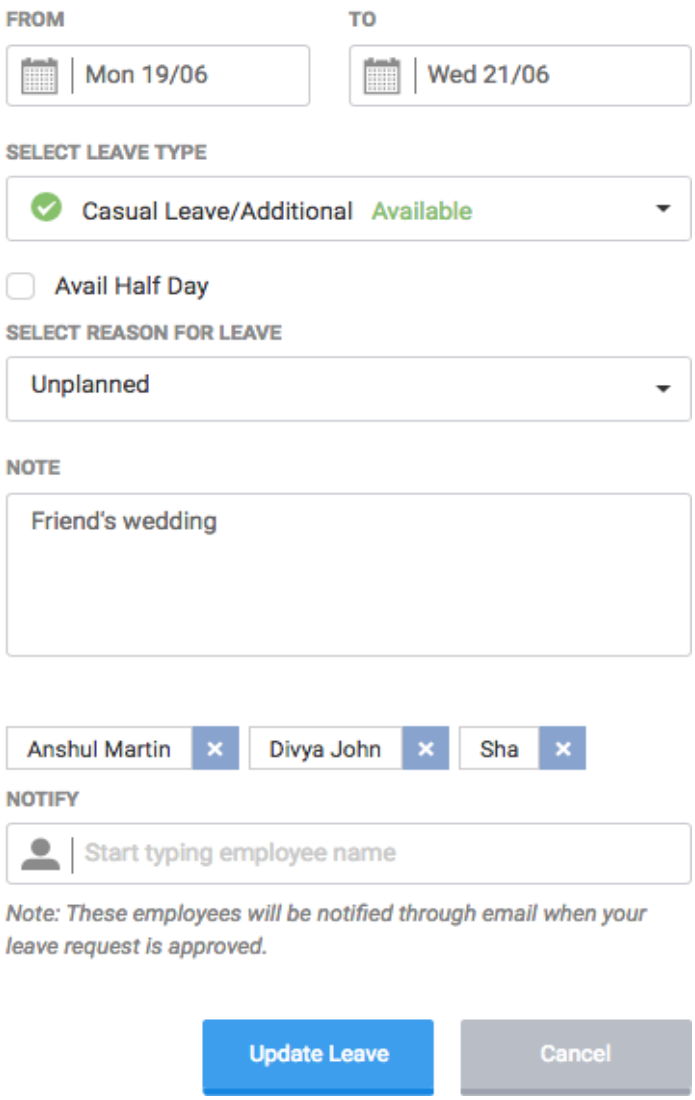
In case the leave request for a future date has been approved by the HR or Admin of your organization, you can still make changes to leave dates (will require an approval again).

Go to My Time >> Leaves, and scroll down to the section ‘Past Leaves’ at the end of the screen. You can see list of all leaves, along with their approval status.





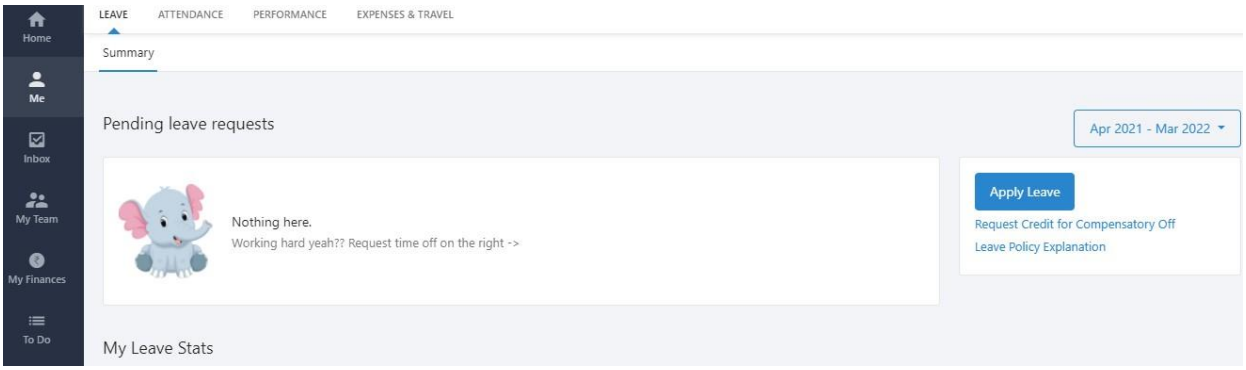
Clicking on 'Edit Leave', will give you an option to edit leave details including dates.

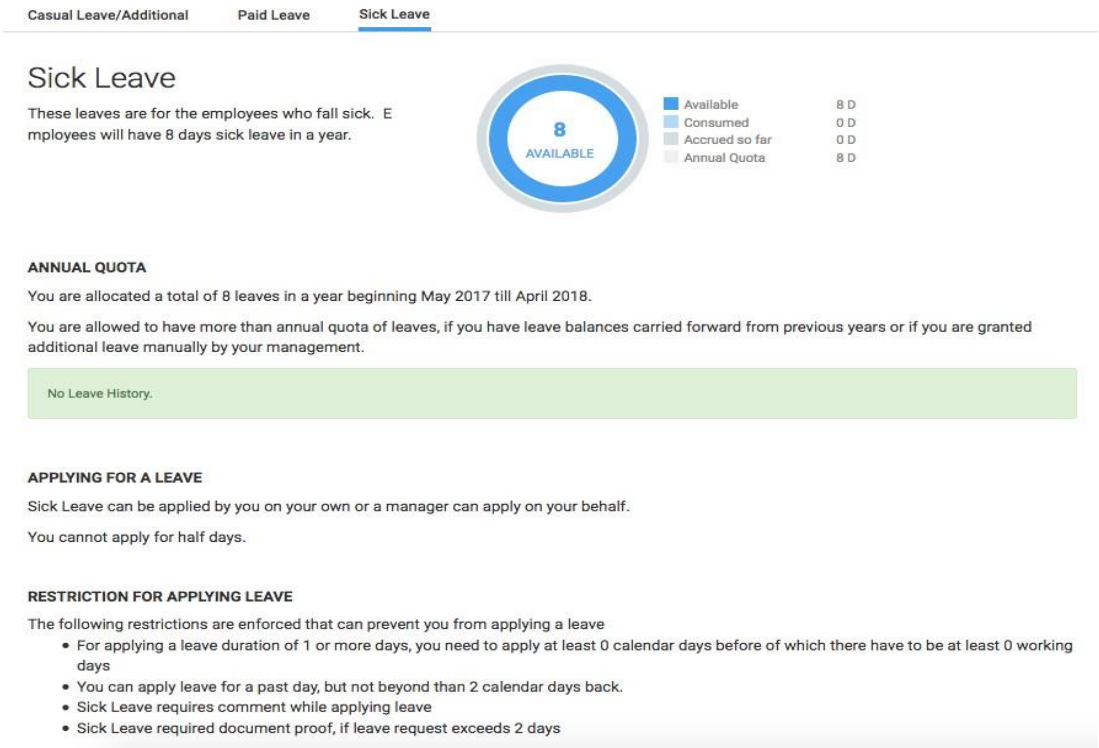


Once done with editing the leave details, click on 'Update Leave' button. The request will be submitted for approval again.

Q: I am not able to apply for leave, why?

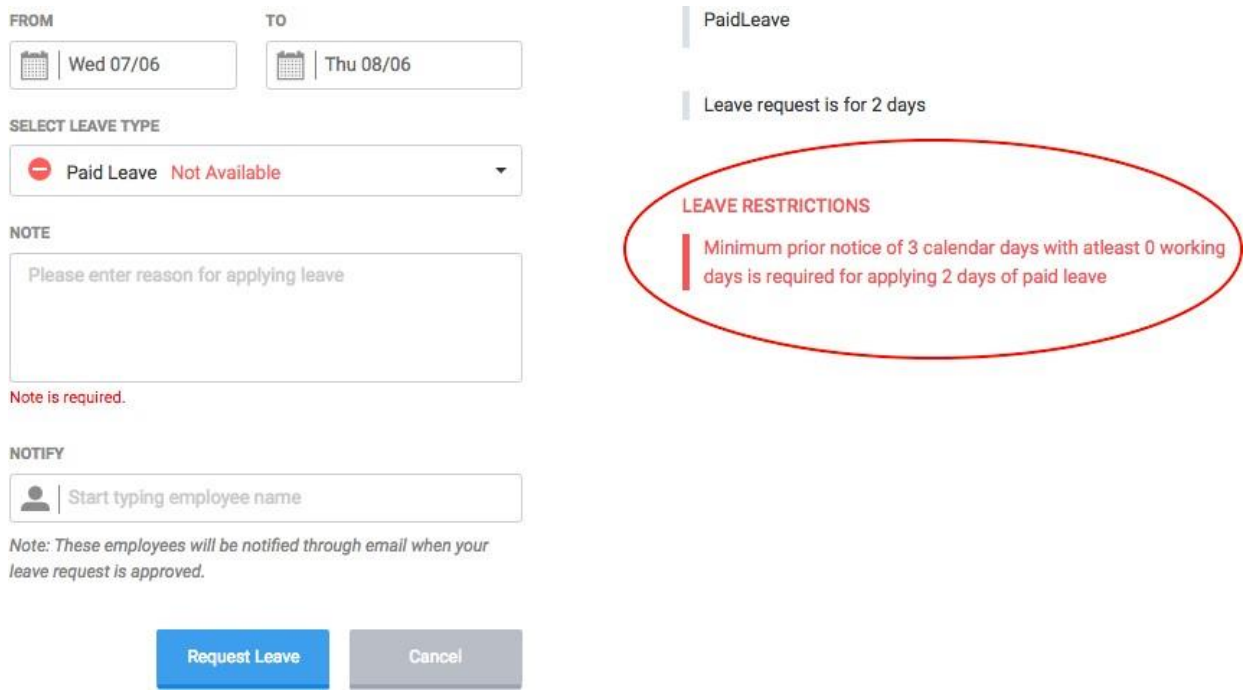
- Not able to apply for leave
- If you are not able to apply for leave, please refer/revisit the restrictions that were set by organization during the setup.
- To view details of rules and restriction for any leave type, please go to My Time >> Leaves. Click on ‘Leave Policy Explanation’ link to view settings details.





There might also be additional reasons which might restrict you from applying for leaves, such as, already approved/pending leave requests during the same time period you are trying to apply for leave.

Whenever you are not able to for leave, system will notify you with the exact reason of the error because of which you are not able to apply for leave.



Fix the error displayed in Red on right hand side and you should be able to apply for leave.

Note: Instructions to New Joiners,

1. Initial Leave Balance will be zero, so for the next 30 days he/she will be not able to apply leave.
2. Suppose he/she want casual or emergency leave in initial days, if you are not able to apply the leave on keka, please drop an email to your reporting manager and <ahex_helpdesk@ahex.co.in> and hr@ahex.co.in (keep in cc).and request for approval of leave via email.
3. Once your leave is approved through your reporting manager via email, you can proceed for leave, and once you come back from your leave you can apply the leave on back date and you will only get 48 hours to apply on back date.
4. If you forgot to apply leave leave,it will be considered as Loss of Pay for Current Month.
5. Any queries you can drop the email to ahex_helpdesk@ahex.co.in
6. **After Completion of one month,** any leave (Casual Leave or Paid Leave) should be (Apply Before 7 Days). if fail to apply then you should drop the email to your reporting manager and hr@ahex.co.in (keep in cc). and request for approval.

**********Thank You**********
